## WELLMAN FAILS TO FIND POLE.

Started But Airship Went  
In The Wrong Direc-  
tion.

ATTEMPT ABANDONED.

The Polar Party Returns  
To Norway and Trip  
Is Off.

Trondheim, Norway, Sept. 16.—Walter Wellman, the head of the Chicago Record-Herald expedition, arrived at Tromsø Friday night on board the Frithjof from Spitzbergen on his way home. He announced that he had definitely abandoned for this year, after a disastrous trial of his airship, the proposed attempt to reach the North Pole.

The airship, made an ascent Sept. 2 in a strong northwesterly wind, which drove her southeastward over the land. It was found necessary to cut the balloon adrift from the other parts of the airship, but it was recovered after two days search.

When the airship left the shed it was anchored to a steamer, the Empress, which helped to tow it to Vogel Bay Island, two miles north-westward to Camp Wellman. Riesenbergh and Vandeman occupied the car. The motor was found to work splendidly, and when it was started drove the airship ahead of the steamer. It was found that the airship answered her helm well.

Off Vogel Bay Island, the airship was freed from her anchor ropes, but an increasing gale and a driving snow storm beat her backward over the mainland of Spitzbergen. Seeing the hopelessness of attempting to battle with the gale, the vales were opened and the balloon quickly descended on a glacier.

## GO RIGHT AT IT.

Friends and Neighbors in  
Hopkinsville Will Show  
You How.

Get at the root of the trouble.  
Rubbing an aching back may re-  
lieve it.  
But it won't cure it.

You must reach the root of it—the  
kidneys.

Doan's Kidney Pills go right at it;  
Reach the cause; relieve the pain.  
Mrs. Eva Hobbs, living on North  
Seminary Street, Madisonville, Ky.,  
says: "I have no hesitancy in re-  
commending the claims made for Doan's  
Kidney Pills, as they are, without  
doubt, the best kidney medicine in  
the world. When they permanently  
cured me of my trouble in the sum-  
mer of 1903, I allowed my experience  
to be published in our local papers  
so that others who suffer as I did  
might know what course to pursue  
to get relief. I was a sufferer for  
years with terrible pains through my  
kidneys and down through my loins.  
There were such bearing down pains  
at times that I actually had to give  
up and lie down until the pain sub-  
sided. The secretions from the  
kidneys were irregular in action and  
painful, in passing. I tried remedy  
after remedy, rubbing my back with  
liniment, and wore plasters but re-  
ceived little or no relief. Doan's  
Kidney Pills made a complete and  
permanent cure four years ago, and  
it only required two boxes to do it.  
I have been perfectly free from any  
kidney complaint ever since."

For sale by all dealers. Price 50  
cents.

Foster-Milburn Co., Buffalo, New  
York, sole agents for the United  
States.

Remember the name—Doan's—and  
take no other.

## Kentucky Fair Dates.

The following are the dates fixed  
for holding the Kentucky fairs for  
1907, as far as reported:

Kentucky State Fair Louisville  
Sept. 16-21.

Seabree Sept. 18-21.

Falmouth Sept. 25-28.

Mt. Olivet Oct. 3-5.

Mayfield Oct. 1-5.

Bardwell Oct. 15-16.

## THE LUSITANIA BREAKS RECORD.

Crosses the Atlantic In Five  
Days and 54 Minutes.

New York, Sept. 13.—A new steam-  
ship record between a European port  
and New York was made by the  
Cunard line's new giant tribune ship  
the Lusitania, which arrived here  
today.

The Lusitania left Queenstown,  
the nearest transatlantic port to  
New York, at 12:10 p. m. Sunday  
at the Sandy Hook lightship at 8:05  
a. m. today, making the time for  
the trip five days, fifty-four minutes.  
This is six hours and twenty-nine  
minutes better than the previous  
Queenstown-New York record of  
five days, seven hours and twenty-  
three minutes held by the Lucania  
of the same line.

The log of the Lusitania gives her  
time of passage as five days and  
fifty four minutes and her time of  
arrival off the Sandy Hook lightship  
at 8:05 a. m. Her average speed  
was 23.01 knots per hour, and the  
days' runs were 556,575,570,593 and  
483 miles to the lightship, a total  
distance of 2,782 miles.

## Saved Her Son's Life.

The happiest mother in the little  
town of Ava, Mo., is Mrs. S. Rupee.  
She writes: "One year ago my son  
was down with such serious lung  
trouble that our physician was un-  
able to help him; when, by our drug-  
gist's advice, I began giving him Dr.  
King's New Discovery, and I soon  
noticed improvement. I kept this  
treatment up for a few weeks when  
he was perfectly well. He has  
worked steadily since at carpenter  
work. Dr. King's New Discovery  
saved his life." Guaranteed best  
cough and cold cure by R. C. Hard-  
wick, druggist. 50c and \$1. Trial  
bottle free.

## Concerning Women.

The Oklahoma State Federation of  
Labor, at its recent meeting, adopt-  
ed a resolution in favor of woman  
suffrage, and proposes to make this a  
test question in supporting candi-  
dates.

Not a woman was chosen to office  
by the National Educational Associa-  
tion at its recent meeting in Los  
Angeles, although nine-tenths of our  
teachers are women. This strength-  
ens the charge, already made in  
many quarters, that the N. E. A. is  
not a representative body.

It is proposed to increase the sala-  
ries of the New York City school  
teachers by three-million dollars a  
year. It was claimed by the oppo-  
nents of the equal pay bill that, if  
the women were given equal pay for  
equal work, it would cost the city  
nine millions a year. So, even if the  
three-million increase goes through,  
which is very doubtful, the women  
teachers will still be getting six mil-  
lions a year less than if they were  
voters.

## Humor in Journalism.

Next to a million dollars a hearty  
laugh is about as pleasant a thing  
as one can have. Everybody really  
wants to laugh. No man and no  
newspaper can be really great with-  
out a sense of humor. The Chi-  
cago Record-Herald regards the pro-  
moting of smiles and laughter as a  
part of the legitimate mission of the  
press. For years the "Alternating  
Currents" column of S. E. Kiser in  
that paper has been a daily source  
of delight to its readers. The car-  
toons of Ralph Wilder on the first  
page also are designed to make  
people laugh—and to make them  
think as well. In fact the humor of  
the Record-Herald, like its news  
columns, is clean and kindly as well  
as amusing and entertaining. It af-  
fords a striking example of the  
right way to "tell the truth laugh-  
ing."

Famous humorists contribute to  
the Sunday Magazine of the Record-  
Herald, with the popular novelists  
and celebrated writers on timely  
questions. Both text and illustra-  
tions are of the highest standard of  
periodical literature—the new idea  
in Sunday journalism perfected.

## Cheap Rates to Nashville

Account Tennessee Home Coming,  
\$2.50 round trip, on Sept. 21st, 22nd  
and 23rd. Limit Sept. 30th.

J. B. MALLON, Agt.

Sunday was one of those deligh-  
tful fall days that can only be seen in  
the glorious climate of Kentucky.
